

**CONNECT ATLANTIC**  
UTILITY SERVICES

Connect Atlantic Utility Services (CAUS) is one of Atlantic Canada's largest Utility Service Contractors, specializing in Energized Transmission and Distribution maintenance. At CAUS, we take pride in our ability to assemble the best team for any task, ensuring that projects are done safely, on schedule, and on budget. The breadth of our personnel's experience enables us to supply all of the specialist talents that today's complicated projects necessitate.

We are currently seeking the following new member to join our team in **Bedford, Nova Scotia**:

## Journeyman Powerline Technician

### POSITION SUMMARY:

The primary purpose of the Powerline Technician is to perform all work in connection with electrical power generation, transmission and distribution system equipment, lines, apparatus, and substations.

### ESSENTIAL DUTIES & RESPONSIBILITIES:

- Installs, maintains, removes and restores (steel, wood, composite or concrete) poles, towers and structures for powerlines;
- Sets and guys poles and pulls cables;
- Installs and maintains conductors and associated equipment;
- Makes cuts and connections on low and high voltage powerlines;
- Adheres to all safety standards by following approved safe work plans; and,
- Other duties and responsibilities as assigned.

### CANDIDATE PROFILE:

- Powerline Technician Trade Certification;
- Preferred 5+ years of experience working in high voltage transmission and/or distribution powerline and substation construction as a journey-certified powerline technician;
- Must be comfortable with working from heights and able to climb poles and structures of any height;
- Must be able to work in Class 2 and 3 rubber gloves and sleeves;
- Experience with hot distribution work would be considered an asset;
- Must have a safety-minded approach to performing daily tasks;
- Excellent interpersonal and verbal communication skills;
- Strong hand-eye coordination and manual dexterity;
- Valid Driver's License; and,
- Valid passport for eligibility for international emergency response assignments.

**CONNECT ATLANTIC**  
UTILITY SERVICES
